### ABOUT

Our Classic Series Floating Dock is a great choice when seeking a traditional look, with unmatched value. We achieve this by using the highest quality materials available. The Classic Series will accommodate any water depth, and maintain a consistent Freeboard above water when fluctuation occurs.

### FLOATS

There are two types of float options the HDPE plastic box floats with closed-cell foam ensuring buoyancy even if punctured. As well as the HDPE pontoon floatation system.

### DOCK FRAME

Pressure Treated Lumber

### WARRANTY

All Classic Series Floating Docks are backed with a 5 year warranty on the frame, and a 15 year warranty on the floats.
